

Pro Tip: *Bright Color in Moderation*

The brighter the color, the less there should be of it across the whole family.

COLOR PALETTE

Pro Tip: *Those Dancing Feet*

The best shooting locations rarely have solid ground. Wear shoes that you can move around in.

COLOR PALETTE

Pro Tip: *Baby it's Cold Outside!*

Ditch the winter jackets and layer up with undershirts and long undies! Add a puffer vest or a scarf for a pop of texture.

COLOR PALETTE

Pro Tip: *Double Trouble*

Have twinsies? Dress them uniquely and embrace their individuality! Same is true for all siblings!

COLOR PALETTE

Pro Tip: *No Red
Light District*

Avoid neon at all costs. This applies to stripes on kiddos shoes as well!

COLOR PALETTE

Pro Tip: *Accessories
and Details*

Pay special attention to the details! Adding in a scarf, vest, statement necklace or even a small bouquet can provide the perfect amount of punch to any outfit.

COLOR PALETTE

Pro Tip: *But What
About my Face?*

Wear your makeup roughly 20% darker than what you would normally wear. It will help add depth and contouring.

COLOR PALETTE

Pro Tip: *A Neutral
Color Palette*

Still stuck? Creams, browns and tans are impossible to screw up and will never go out of style! Just skip black and white.

COLOR PALETTE

Pro Tip: *Don't Forget Those Wrists*

Ditch the sports watches and hair ties on the wrists! Keep in mind that small bracelets can sometimes photograph as a hair band.

COLOR PALETTE

Pro Tip: *A Warm Pop of Color*

Adding a warm pop of color against a neutral palette will give your outfit just the right amount of style.

COLOR PALETTE

Pro Tip: *Patterns and Textures*

Don't be afraid to mix patterns and textures! Gone are the days of white shirts and denim.

COLOR PALETTE

Pro Tip: *Texture and Logos*

Avoid clothing with thick stripes and logos. Choose clothing that is more timeless and have options that balance each other.
